WELCOME

I have always aimed to create theatre that challenges and inspires our SAVVY members, and is exciting and memorable for our SAVVY audiences – and this upcoming Anniversary Summer Season is no exception, with an array of family-orientated shows that although may sound familiar, will be rediscovered and reinvented in true SAVVY style!

Lost In Space is a brand new piece of work created with an inclusive cast of actors that will then be transported to a different space and redeveloped into a workshop installation, ready for a new team of explorers to discover. *A Midsummer Nights Dream* will transform audience perceptions of both Beddington Park and Shakespeare, and I am so excited to see our past production of *Alice In Wonderland* being reinvented for a boat ride on the River Thames!

In 10 years we may have grown in size and grown in reputation, but I am so glad to see that we have yet to grow up! I look forward to seeing you over the summer.

There will be nibbles and a pay bar for you to purchase drinks from throughout the evening. Although we don't have a strict dress code for this event, feel free to glam up!
